EPA 404g1 Work Group

Please find enclosed what we hope to be the final Blueprint (redline changes include those we made in the call this week). Two things:

1. By **MONDAY, August 6, COB**, please send us any final comments INCLUDING "no comment" so we can affirm the acceptance of the Work Group of this document.
2. Please complete the doodle poll below for our next WG call as we take any input from the John Godin briefing scheduled for the 17th.
